IT'S YOUR SKIN

DON'T LET SOMEONE ELSE MAKE SKETCHY DECISIONS ABOUT IT

We're pretty tired of feeling like you can't buy anything without three or more added ingredients that don't need to be there.

That's why we decided to make natural products, like deodorant, that we'd want to put on our skin.

Call us crunchy granola. Call us obsessed.

Ultimately, we're just purists trying to wade through all the noise.
